Welcome Bobbi Usselman, CAO

Good day everyone! My name is Bobbi Usselman and I am the new Chief Administrative Officer for the Town of Hardisty. I am honored to be a part of the team, and huge thanks go out to Jackie and Marge for running everything so smoothly until I was able to begin. I am a proud mom of 2 girls; the oldest is in her final year of a Chemical Engineering degree at the University of Calgary, and the youngest is finishing Grade 12 at Hughenden Public School with aspirations of becoming a registered nurse. I come to you via the Village of Czar where I have been employed for the last 14 years, so I bring with me experience in municipal governance of small-town Alberta. Growing up on a farm north of Chauvin, and then moving to Czar in 1997, I have been very fortunate to have a life immersed in rural Alberta and all its amazing attributes. I know what it is like to have to drive 30 miles for a Tim Hortons coffee, or 50 miles to dance practice, or 100 miles to a hockey game.

However I also know what it is like to know every person that walks down the street, be involved with community from being a part of curling clubs, to ag societies, and have the opportunity to be involved with amazing grass routes organizations like 4H and local library boards. The Town of Hardisty is welcoming a new council to the table, and I know that they are as eager as I am to get to work for all of you. Hardisty is an incredible place to live and work, and I am thrilled to be part of the conversations that will lead us all into the future. Feel free to stop in and say hello as I am looking forward to meeting every one of you.
