Bobbi Usselman, CAO

What a whirlwind winter we have had! From deep freeze, to melting and raining, to the return to the deep freeze in less than a month has proven to be a tricky environment for us all to handle! Sending a shout out to our public works staff, Ivan and Brian, for doing all they can to try to keep our streets clear. When Mother Nature decides to get in this kind of mood, it is a battle to stay ahead of her next move.

Congratulations to the Hardisty Development Group on their massive strides they are making with the school situation with the provincial government. The Town of Hardisty supports them in their efforts and has fully backed their charge for a positive schooling future for the children in the Hardisty district.

The Town of Hardisty and AHS have been working collaboratively to further inform residents of the status of the acute care/emergency department opening; with a news release that was published in the local paper. CBC was in town recently and captured

CITIZEN OF THE MONTH

Congratulations to Brittney MacMillan on her success with the 100 Women Who Care grant application for improvements to the Hardisty nature Trails. We are all looking forward to a summer with the nature trails filled with smiling faces.

If you know of an individual or business, that you would like to appear in the monthly newsletter for contributing to the community in some way, please email your nomination to marge@hardisty.ca

the situation very well with interviews from Marg Shott and Fay Bronson being pivotal to getting our message across. It is the full intention to have the Hardisty hospital fully functional again, and Mayor Jackson and myself have been immersed in on going meetings to advocate for reopening. From all accounts, the opening of this facility is one that AHS is dedicated to.

Keep up to date with all things that are happening at the town on our website www.hardisty.ca, or on our Facebook page, and if you can't find what you are looking for there, give us a call or come and see us at the office! We would be happy to assist you!

With that, I hope a bit o' Irish luck and a bit of Irish cheer will snuggle down inside your heart and stay all through the year! Happy St. Patrick's Day!

FIRST
PRESENTS:
HARNARAYAN SINGH
OF PUNJABI HOCKEY NIGHT IN CANADA
SPEAKING ON DIVERSITY AND CHASING YOUR DREAMS

APRIL 25 @5:30 PM - Virtual

Born and raised in small-town Alberta, Harnarayan Singh has risen through the broadcast ranks as a prominent media personality in Canada's favourite sport, challenging the status quo along the way.

His growing list of accomplishments includes broadcasting over 700 NHL games, receiving the Meritorious Service Medal by the Governor-General of Canada the 2018 Brian Williams Media Award, along with an ambassadorship for the Chevrolet Good Deeds up and the NHL's Hockey is for Everyone program.

Whenever I hear Harnarayan call hockey I think to myself, 'He's singing the game.' It's exciting, lyrical, and beautiful. His story is one of dreams, passion, sacrifice, and dedication; his lesson is about unity and respect—all while creating a new language for hockey. This presentation is virtual
