## Bobbi Usselman, CAO

Happy Valentine's Day!!

As I write this today, I am looking out at a melting parking lot and a temperature of 1C... at the end of January! Who could have possibly guessed! (although, looking back it did this exact thing last year. 😊)

Shout out to the Public Works Team and the contractors for getting the streets in tip top condition once again. It has been a good old fashioned winter this year, and staying ahead of the snow has not been an easy task.

Keep an eye out for the bonspiel winner in the newsletter. Congratulations all! Wonderful to see successful bonspiels, hockey tournaments, and general winter gatherings back in full force.

Check out the Energy Roundtable hosted by BRAED on February 16th. Special guest

## Citizen of the month

If you know of an individual or business, that you would like to appear in the monthly newsletter for contributing to the community in some way, please email your nomination to [bobbi@hardisty.ca](mailto:bobbi@hardisty.ca)

## St. Paul's United Church News

Service resumes Jan 8, 2023 at 11:30 a.m. Please note the time change.

## Snow Removal

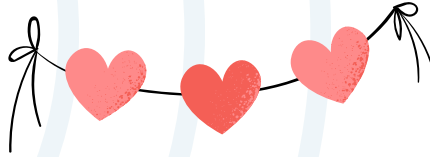

To ensure that you can have access to your property via your driveway, please do not shovel snow onto the streets. As Per Town of Hardisty Bylaw #1070, no snow from a sidewalk/driveway can be placed on the adjacent roadway.

By not shovelling or plowing or blowing you snow into the roads, you will keep the roads clear for longer. A large scale cleanout of the entire town recently took place, and to help everyone maintain the clear roads, please refrain from this action. Similarly, shovelling snow into back alleys will impede travel in those areas.

speaker David Yager will be attending. For ticket information, please see the information in the newsletter or check out the Town of Hardisty Facebook page for the link.

Wishing you all a wonderful February!
