St. Paul's United Church News

Service resumes Jan 8, 2023 at 11:30 a.m. Please note the time change.

Snow Removal

To ensure that you can have access to your property via your driveway, please do not shovel snow onto the streets. As Per Town of Hardisty Bylaw #1070, no snow from a sidewalk/driveway can be placed on the adjacent roadway.

By not shovelling or plowing or blowing you snow into the roads, you will keep the roads clear for longer. A large scale 4 day cleanout of the entire town took place from January 3 - 6, and to help everyone maintain the clear roads, please refrain from this action. Similarly, shovelling snow into back alleys will impede travel in those areas.

Train as a registered nurse right here in Wainwright

GET A DEGREE IN YOUR OWN COMMUNITY

You don't have to go far to get a world class nursing education.

Alberta Health Services has partnered with the University of Calgary to offer the four-year Bachelor of Nursing (BN) program at the Wainwright Health Centre. Courses are offered online, with labs and clinical practice delivered in-person. This program gives individuals a unique opportunity to become trained health care professionals in their home town.

Applications for the Fall 2023 semester must be submitted before **March 1, 2023**. Applicants must be residents of Alberta and live within 120 kms of Wainwright, AB. Grow your career with a world-class education in your community and find the opportunity to give back as a registered nurse.

For more information visit:

nursing.ucalgary.ca/future-students/undergraduate/routes/rural-community-route

Apply before **March 1, 2023**
to be considered for this unique local program.

- > Students will complete all four years of the registered nursing degree in Wainwright, with the program delivered by the University of Calgary.
- > Alberta Health Services will provide classroom space at Wainwright Health Centre where nursing students will be trained.
- > Students will also complete their clinical practicum placements locally in Wainwright and area.
- > In the first year, the University of Calgary will provide virtual course delivery of the program through in-person instructors at the university, and Wainwright students connected via video. In the second through fourth years, clinical and hands-on classes and labs will complement virtual and online learning.
