## Message from Logan Campbell

Dear Hardisty Community Members,  
As many of you may have already heard, my wife and I have chosen to relocate our growing family to an acreage outside of the Town of Hardisty limits. This means, unfortunately, as of August 1st, 2023, I will no longer be able to continue as a town councillor; one's primary residence must be within the municipality they serve. A by-election will be held to find my replacement. I encourage anyone with any interest in improving our town to run as a candidate, you will be joining a great team.

I will be forever grateful for my time on council. I learned so much and carry a much higher respect for local governance. I would like to thank the voters for the opportunity to serve

## CITIZENS OF THE MONTH

Volunteer Appreciation to Brenda Buelow for her hours and hours and HOURS spent with a paint brush in her hand to contribute to the incredible Hardisty 75th Rodeo!

## ST PAUL UNITED CHURCH NEWS

NO CHURCH SERVICE all of August.  
No service in Hardisty on Sept. 3rd as there is a joint service with Hughenden. Service resumes in Hardisty on Sept 10 at 11:30 a.m.  
Everyone welcome.

on the Council of this fine town for the past 21 months, sorry I could not complete the full term. I extend my best wishes for Hardisty's success, knowing without doubt the remaining council and current administration will continue to positively serve our great community. Hardisty has and will always be my home, I will be around town as much as always so feel free to stop me for a chat.

With Sincere Thanks,  
Logan Campbell

**CALL FOR GRANT APPLICATIONS**  
**DEADLINE: AUGUST 15, 2023**

THE BATTLE RIVER COMMUNITY FOUNDATION IS NOW RECEIVING APPLICATIONS FOR GRANTS FROM OUR COMMUNITY FUND AND FIELD OF INTEREST FUNDS.

Grants are made to organizations operating in east-central Alberta that are recognized as qualified donees by the Canada Revenue Agency. This includes registered charitable organizations and municipalities. Community organizations that are not registered charities may apply in partnership with a qualified donee. Forms for applications from partners must be submitted in addition to grant application forms and can be found on our website.

Organizations seeking funds must demonstrate a strong and committed volunteer board of directors, fiscal responsibility, and effective management of resources. Projects that impact the greatest number of individuals possible with a modest investment of funds are preferred. Grants are made for definite purposes and for projects covering a specific time period. In general, grants are approved for projects not met by other funding sources.

In addition to unrestricted grants available from the Community Fund, some Funds provide grants targeted to projects reflecting donors' interests. They include Animal Welfare, Arts, Brain Injury Prevention, Education, Health and Wellness (including Mental and Emotional Health and Wellness), the Humanities, Literacy, Music, Nutrition and Food Security, Outdoor Education, Palliative Care, Preservation and Protection of the Environment, Preservation of History, Prevention of Family Violence, Services for Individuals with Special Needs, Sustainable Agriculture, Youth Athletics and Youth Projects and Programs.

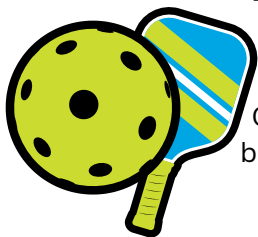

There are also Funds targeted to support projects serving residents of Alliance, Armena, Camrose, Flagstaff County, Forestburg, Galahad, Hardisty, Hay Lakes, Hughenden, Irma, Killam, Loughheed, Merna, Rosalind, Sedgewick, Strome, Viking and Wetaskiwin.

The deadline for receipt of 2023 applications is 5:00 Thursday, August 15, 2023. Grants will be announced in December.

For further information and/or an application form, please contact us.
