This holiday season, include mocktails at all your gatherings

There is no safe time, safe amount, or safe type of alcohol to consume during pregnancy. The safest option is not to drink alcohol at all during pregnancy but stopping or reducing alcohol consumption can be challenging for some. It's important to remember that we all play a role in supporting healthy pregnancies.

Here are a few ways in which you can help support healthy pregnancies this holiday season:

- Go alcohol-free with your pregnant friend, partner, or family member
- Be sure to include alcohol-free options at events to support those choosing not to drink
- Give a gift or tasty treat that is alcohol-free
- Organize completely alcohol-free events

And try this recipe at your next gathering:

Cranberry Christmas Mocktail

Ingredients

- 1 oz. orange juice
- 2 oz. cranberry juice
- 1/2 tablespoon of grenadine
- 3-4 oz of ginger ale
- fresh rosemary sprigs
- fresh cranberries

Instructions

1. Add the first three ingredients to cocktail shaker filled with ice.
2. Shake and pour into a wine tumbler.
3. Top off with ginger ale.
4. Garnish with fresh cranberries and sprig of rosemary!

Cheers to a safe and happy holiday season, from
Prairie Central FASD!
