Julie Pasztor - Councillor

Hello fellow Hardistians! I am honoured to write the tidbits for the month of February we welcome in! There is so much that goes on behind the scenes and in town that residents are not always aware of; and we want to share a few "Did you know"s from time to time, to keep you in the loop!

Did you know: We are working diligently on our town's snow removal policy & program? However slow that might seem to be when you are on the outside; it is not an overnight process and we are grateful for the patience of many residents as we work through it! Soon you will see updated policies - we will keep you posted! Policies are important; and we want to streamline ours as they have been the same for quite some time, and in order to progress and avoid redundancies, policies require adjustments. Stay tuned!

The Thrift Shop!
Pop in and say
hello today!

Did you know: We have a shop in town that donated \$38,000 to various charities in 2023? This month we would like to take the time to show appreciation to one of the most popular and vital shops in town – the Hardisty Thrift Shop! Located in the heart of downtown Hardisty, the Hardisty Thrift Shop has had a few locations in its lifetime, and has been in operation for over 41 years! This "business" is a 100% volunteer based service with an incredibly dedicated group of close to 40 individuals in a variety of roles. They keep this vital and dynamic service well organized, consistently delivering top notch displays. It takes many hours each week to sort through all of the incoming donations to create thoughtful displays and sections just like a regular department store. Photos and descriptions of newly donated product are then featured on their social media page a couple of times each week to lure us in. On each new week's beginning, with their Tuesday 1:30 pm opening, you will often find a line up of customers waiting for them to open this little shop; which has been a Godsend through some trying times in this economy. I had a brief conversation with one of the Thrift Shop's

volunteers and she said repeatedly that they would be nowhere without the excellent customers they have – those who donate and those who shop. They are beyond grateful for the support they receive. Just think: Everytime you purchase a beautiful new-to-you item; perhaps a coffee mug, toys for your children; pants or a new top for your next event or kitchen utensils as you are moving out of your parents home: you are supporting such a great cause in our community; reaching many charities. Kudos to those dedicated individuals who keep this initiative going, The Thrift Shop would like to acknowledge the vision a group of women had in the early 1980's to get this project off the ground. It has endured these 40 plus years thanks to their leadership and the level of commitment from so many throughout the years. Thanks so much to this group!

Wishing you all a wonderful February! Happy Valentines Day and Happy Family day to all!
